WANTED An excellent career opportunity exists for someone seeking a change in lifestyle in WA for a motivated and qualified auto electrician to join Autospark, the Innovators in the auto electrical industry."

We seek a person who is hard-working and very keen to learn and develop management skills for future franchise stores. Must be experienced in all aspects of the AE trade, diagnostic and air-conditioning. It would be an advantage to have good liaison skills and be able to demonstrate the ability to work unsupervised and as part of a team. Accredited training and uniform supplied. This position offers long-term employment within the Autospark franchise. For a confidential discussion contact Graeme Hooley on 08 9300 2555 or email adminoffice@autospark.com.au

WANTED An auto electrician is required for a north western NSW family business due to expansion. The person should be highly motivated and have a high level of work ethics and standards. The successful applicant will have a remuneration package, which may include relocation costs, company motor vehicle, phone and with a training programme to develop skills further and a generous salary pending the applicants experience and qualifications. We consider this to be a career position with growth potential. We aim to provide our customers with the highest quality in workmanship, products and service available. The applicant must possess the following, trade certificate (Auto

Electrician), current drivers license, and an auto refrigerant handling license will be highly regarded. Interested parties should contact Troy or Tania on 02 6752 1110 for further info. All application are treated as confidential. (aef07)
